Web Announcement 1783

Use Internet Explorer or Microsoft Edge® to Access Nevada Medicaid Website

Providers who are having issues accessing the public Nevada Medicaid provider website (www.medicaid.nv.gov) using Google® Chrome or Firefox® are advised to use Internet Explorer Version 11 or Microsoft Edge® for Windows 10 users. The website is temporarily unavailable using Google® Chrome and Firefox®. The Nevada Medicaid website will be available through Google® Chrome and Firefox® on or before February 1, 2019.
